REVENUE DEPARTMENT
(DIRECTORATE OF LAND RECORDS & SETTLEMENT)**

No. F. 7(191)-DSLRL/MAP/2011/II/302-11

Dated, Agartala,
The 5th January, 2017.

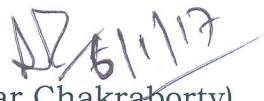

NOTIFICATION

Different RoRs of mouja Teliamura under Teliamura Sub-Division, Khowai District, prepared in different Scale of measurement, viz. some RoRs of denomination of 16"=1 mile and some RoRs are of 32"=1 mile. Different scales were used considering different size of plots size of the land, such as market, paddy land, garden, urban area etc.

After introduction of CLR project, it is seen that the software does not accept different scales of maps in the same mouja. Besides, to facilitate the field level work, CLR operation for mutation of land and incorporation of new plots in the map sheets, it is necessary to keep measuring scale in all the maps and khatians of same mouja in symmetrical position.

In view of the above, it has been decided that the measuring scale of all maps and khatians of Teliamura mouja shall be converted into 32"=1 mile in the interest of work.

This Notification shall come into force with immediate effect.

(Sankar Chakraborty)
Deputy Secretary, Revenue,
