

GOVERNMENT OF TRIPURA
DIRECTORATE OF LAND RECORDS & SETTLEMENT
PALACE COMPOUND::: AGARTALA

NO.F.6(370)-DLRS/LR/DE/01/P-V/10,506-07, Dated, the 24th September, 2012

To
The District Magistrate & Collector
West Tripura, Agartala.

Sub: - Proposal for authorization to RI instead of DCM in Jirania Revenue Circle.

Sir,

In reference to your letter No.F. 24(02)DM/W/REV/12/7144-45 dated 3rd September, 2012 on the stated subject as above, I am to invite your kind attention to the decision of the government on the stated issue as adopted in the State Level Monthly Revenue Meeting held on 14th September, 2012.

The decision on the issue is extracted as appeared in page-2 of the minutes under para point (iv) - **"Authentication of Khatian and security bar code"**- *Role of DCM as an apex operational administrator for verification of certain cases under authentication process cannot be relaxed and they should perform their duties in a time bound manner.* Furthermore, in para point (v) **"Mutation & incorporation"** -*Role of DCM as an apex operational administrator for approval of all kind of incorporation cases cannot be relaxed and they should perform their duties in a time bound manner.*

Consequent upon the fact, it may be re-asserted that due to security of the system, the role of DCM in CLR operational process cannot be ignored. They should perform their system generated role in a time bound manner. System generated MIS may be viewed regularly to regulate the role of various officials and to generate services in a time framed manner.

Yours faithfully,

(M. K. Nath)

Director

Land Records & Settlement

Copy to:-

The Sub-Divisional Magistrate, Jirania, West Tripura for information. This has got the reference to letter No.F.5(59)/SDM/JRN/REV/2012/5791-95 dated 25th August, 2012.
