

**GOVERNMENT OF TRIPURA  
REVENUE DEPARTMENT  
(DIRECTORATE OF LAND RECORDS & SETTLEMENT)**

No. F. 7(221)-DSLRL/MAP/2016/6193-77

Dated, Agartala,  
The 29/5, 2016.

**NOTIFICATION**

Different map sheets of mouja Kakraban under Udaipur Sub-Division, Gomati District prepared in different Scale of measurement, i.e. some maps are 32"=1 mile and some maps are 16"=1 mile. Different scale were used considering plot size of the land, such as market, paddy land, garden, urban area etc.

After introduction of CLR project, it is seen that the software does not accept different scale of maps in same mouja. Beside that to facilitate the field level work, CLR operation for mutation of land and incorporation of new plots in the map sheets, it is invariably necessary to keep measuring scale in all the maps and khatians of same mouja in symmetrical position.

In view of the above, it has been decided that the measuring scale of all maps and khatians of Kakraban mouja shall be converted into 32"=1 mile in the interest of work.

This Notification shall come into force with **immediate effect**.

Under Secretary, Revenue,  
Government of Tripura.

Copy to:-

1. The Director, Printing & Stationary Department, Agartala for publishing in the official Gazette for general information of all concerned.
