

**GOVERNMENT OF TRIPURA
REVENUE DEPARTMENT
(DIRECTORATE OF LAND RECORDS & SETTLEMENT)**

No. F. 7(221)-DSL/2016/9676-84

Dated, Agartala,
The 22nd / 07 /, 2016.

NOTIFICATION

Different RoRs of mouja Purba Debendranagar under Jirania Sub-Division, West Tripura prepared in different Scale of measurement, i.e. some RoRs are 32"=1 mile and some RoRs are 16"=1 mile. Different scales were used considering plot size of the land, such as market, paddy land, garden, urban area etc.

After introduction of CLR project, it is seen that the software does not accept different scale of maps in same mouja. Beside that to facilitate the field level work, CLR operation for mutation of land and incorporation of new plots in the map sheets, it is invariably necessary to keep measuring scale in all the maps and khatians of same mouja in symmetrical position.

In view of the above, it has been decided that the measuring scale of all maps and khatians of Purba Debendranagar mouja shall be converted into 32"=1 mile from 16" = 1 mile for the interest of work.

This Notification shall come into force with **immediate effect**.

Under Secretary to the
Government of Tripura.

Copy to:-
